POKER RIDE

We had a very good turn out at the poker ride with 140 registered riders. One rider, a friend of Andy Anderson, was injured when the horse she was riding fell over on her. Andy reported that she is doing fine and hasn’t given up on riding. Get well wishes will be sent to Kay. Thank you to all of the saddle club members who planned, set up, worked at the poker ride and after to help with the raffle and also helping to clean up. Without everyone’s help the ride would not have gone so smoothly!
Discussion was held regarding the donation for the American Cancer Society. Motion was made and seconded that we donate $300 for last year and this year, and from now on we will donate 20% of our profit to this organization. Motion carried. This statement will be added to the bylaws.
